Based on the original appraisal of the property, the Agency already has made a deposit (\$437,000) with the State Treasurer's Condemnation Fund to compensate the property owner. Negotiations to settle have failed, and in light of the RDA's dissolution, the City has withdrawn its case, opting instead to defer completion of the planned roadway connector and provide downtown public parking on the Oakley Plaza site, where parking lot improvements are already an obligation. The City will still be liable for certain legal and other costs for the case; but any remainder will be returned by the State for use on the Oakley Plaza project.
