Background and Analysis

California law and the City's Investment Policy require the Agency's fiscal officer to submit a quarterly investment report to the Agency's governing board. The report should contain information on all securities held, and include a statement denoting the ability of the local agency to meet its expenditure requirements for the next six months.

Fiscal Impact

The Investment Report for the Period Ending June 30, 2013 attached shows a combined balance of \$5,610,737.53, including bond reserve funds.

The Agency is in compliance with the City's annually adopted investment policy and, with the receipt of undistributed current year property taxes from the County Auditor-Controller, including an administrative allowance, is able to meet its operating expenditure requirements for the next six months.

Recommendation

Staff recommends the City Council, as the Board of the Successor Agency, accept the investment report for the 4th Quarter of Fiscal Year 2012-2013.
