Approved and Forwarded to City Council:

Bryan H. Montgomery, City Manager

SUBJECT: Acceptance of work associated with CIP Project No. 168 – FY 2015/16 Street Restriping Project

Introduction

The City's adopted FY 2015/16 Capital Improvement Program (CIP) Budget designates funding for various infrastructure repair and replacement projects. This is consistent with the City's goals to improve the quality of the City's public infrastructure and to enhance the quality of life for our residents.

Background and Analysis

The City's CIP included Project Number 168 - FY 2015/16 Street Restriping Project. CIP No. 168 included restriping Main Street from Big Break Road to Delta Road. This section of Main Street had not been striped for many years since being under Caltrans jurisdiction. The striping had faded to the point that lane lines were not visible and this was a safety concern for the motorists who travel this road every day.

This project was successfully completed in October 2015 and not only alleviated a safety concern for motorists but also it provided enhanced markings at crosswalks for pedestrians.

Summary

The City of Oakley received a very competitive bid for this project from Centerline Striping Company Inc. and as result we were able to add a few other areas of striping to the project in residential areas that need crosswalks for enhanced pedestrian safety. All this work was done within the project authorized budget.

Fiscal Impact

This project was completed on time and under the authorized budget of \$50,000.

Pursuant to the contract documents, 5% of the accrued costs were withheld from the amount paid to the contractor. These funds are called "retention", and are held until the end of the project to ensure that the contractor completes the project in a timely manner. Approval of this item will authorize the release of the retention payment to the contractor. The retention was already budgeted as part of the contract and

change order approvals, so there is no additional fiscal impact associated with this action.

Recommendation

Staff recommends that the City Council Adopt the Resolution accepting CIP Project No. 168 – FY 2015/16 Street Restriping Project as constructed by Centerline Striping Company Inc. to be complete, and to direct the City Clerk to file a Notice of Completion for the project with the County Recorder.'

NOTICE OF COMPLETION

CIP 168 – FY 2015/16 Street Restriping Project

NOTICE IS HEREBY GIVEN THAT:

The CITY OF OAKLEY, a political subdivision of the State of California, did, on September 8, 2015, enter into an agreement with Centerline Striping Company Inc. for construction of Capital Improvement Program Project Number 168 – FY 2015/16 Street Restriping Project.

The work described in the contract documents was to furnish all material, labor, and equipment necessary to complete the CIP No. 168 – FY 2015/16 Street Restriping Project, for the restriping of Main Street, from Big Break Road to Delta Road in Oakley.

On December 8, 2015, said contract, as a whole was completed and the work was accepted by the City Council of the City of Oakley.

I hereby certify under penalty of perjury that the facts set forth in the foregoing Notice of Completion are true and correct.

Executed at Oakley, Contra Costa County, State of California, on December 8, 2015.
