SUBJECT: City of Oakley as Successor Agency to the Oakley Redevelopment Agency-Quarterly Investment Report (4th Quarter FY 2013-2014)

Approved and Forwarded to the Oakley City Council, as the Board of the Successor Agency to the Oakley Redevelopment Agency

Bryan Montgomery, City Manager

Background and Analysis

California law and the City's Investment Policy require the Agency's fiscal officer to submit a quarterly investment report to the Agency's governing board. The report should contain information on all securities held, and include a statement denoting the ability of the local agency to meet its expenditure requirements for the next six months.

Fiscal Impact

The Investment Report for the Period Ending June 30, 2014 attached shows balances of \$1,661,666.43 in cash for operations and \$2,675,204.45 in bond reserves held by the Bond Trustee.

The Agency is in compliance with the City's annually adopted investment policy; however, it continues to struggle to meet expenditure requirements. While there was sufficient tax revenues distributed to the Agency in June, when combined with amounts set aside in January and accumulated between January and June, to make the Agency's bond upcoming debt service payments in September, funding to fulfill prior unpaid property tax pass-through obligations to other taxing agencies, and to meet the Agency's operating and remaining project costs remain a challenge. This is in large part because, by design, the Dissolution Act implementation strips the Agency of any excess cash every six months; and because the Agency is currently precluded from selling any of its assets or borrowing to raise capital to meet expenses until certain conditions are met and the actions are approved by the State Department of Finance. In time, the Agency's financial condition will improve; however in the near-term these challenges are expected to persist.

Recommendation

Staff recommends the City Council, as the Board of the Successor Agency, accept the investment report for the 4th Quarter of Fiscal Year 2013-2014.
