

## STAFF REPORT

**Date:** November 18, 2014  
**To:** Bryan H. Montgomery, City Manager  
**From:** Paul Abelson, Finance Director  
**SUBJECT:** City of Oakley Quarterly Investment Report (1st Quarter FY 2014-2015)

Approved and Forwarded to City Council:

  
Bryan H. Montgomery, City Manager

### Background and Analysis

California law and the City's Investment Policy require the City's fiscal officer to submit a quarterly investment report to the City Council at the end of each quarter. The report should contain information on all securities held, and include a statement denoting the ability of the local agency to meet its expenditure requirements for the next six months.

### Fiscal Impact

City resources are organized and accounted for on a fund basis with some of those funds being restricted for specified uses and others that are unrestricted. For investment purposes, however, the funds are invested as a pool. The Investment Report for the Period Ending September 30, 2014 attached shows a combined pool balance of \$29,151,976.10. In addition, the pool had combined 1st Quarter accrued interest earnings of \$13,464.43. Interest for the period continues to reflect the lower rates currently being offered on safe, short-term investments.

The City is in compliance with the adopted investment policy and able to meet its expenditure requirements for the next six months.

### Recommendation

Staff recommends the City Council accept the investment report for the 1st Quarter of Fiscal Year 2014-2015.
