## MEMORANDUM

Date: March 03, 2014  
To: Bryan Montgomery, City Manager  
From: Dan Gomez, Chief of Police  
Subject: **Resolution Establishing a Parking Fine Schedule**

Approved and Forwarded to City Council

  
Bryan H. Montgomery, City Manager

### **Background and Analysis**

The City of Oakley Police Department has recently received inquiries regarding violations of the Oakley Municipal Code and the fines associated with parking violations.

After review of the Code, Staff has recognized that an updated resolution establishing the City's schedule of fines is needed. (The County's schedule was what was primarily being used). The adoption of a schedule of fines will allow Police Department staff to issue parking citations backed with a consistent schedule of fines that is available to the public and in line with similarly situated agencies throughout Contra Costa County.

### **Fiscal Impact**

None. The schedule includes the same fines that have been charged.

### **Recommendation**

Staff recommends approval of the Parking Fine Resolution.
