Subject: Subdivision Improvement Agreement for Subdivision 8985
(Quicksilver, Clyde Miles Construction Company, Inc., 1500 W.
Cypress Road)

Approved and Forwarded to City Council:

Bryan H. Montgomery, City Manager

Background and Analysis

On May 14, 2007 the City Council adopted Resolution Number 60-07 which approved the Subdivision Improvement Agreement (SIA) with Clyde Miles Construction Company, Inc. (Developer) related to Subdivision 8985 (Quicksilver). The SIA included the requirements that the Developer would commence construction of the improvements for Subdivision 8985 within 30 days following the date the City executed the agreement, and that the Developer would complete the construction within 12 months. The SIA was executed on May 14, 2007 but work was never commenced due the economic downturn in 2008.

With the improved economic environment, the Developer now desires to restart the project, and since the 2007 SIA expired, they desire to execute a new SIA so that the improvements associated with the subdivision can be constructed. The site is located at 1500 W. Cypress Road on the northwest corner of W. Cypress Road and Lois Lane. A total of 11 new homes will be constructed by this Project.

Fiscal Impact

There is no fiscal impact associated with this action.

RECITALS

WHEREAS, it has been determined by the City Council of the City of Oakley, State of California, that DEVELOPER, the subdivider of Subdivision 8985, desires to improve and dedicate those public improvements (hereafter "The Improvements") required by the conditions of approval for the project as adopted by the City of Oakley Planning Commission via Resolution Number 05-06 in accordance with the requirements and conditions set forth in approvals, the requirements of the Subdivision Map Act of the State of California, and those certain plans and specifications for said development approved by CITY and titled Subdivision 8985 Grading Plans and Improvement Plans as prepared by Meridian Associates, Inc. and Landscape Plans now on file in the office of the City Engineer, which are hereby referred to for a more definite and distinct description of the work to be performed under this Agreement as though set forth at length herein; and

WHEREAS, DEVELOPER and CITY acknowledge that not all conditions of approval ("COA") contained in Resolution Number 05-06 have been satisfied, but nevertheless, DEVELOPER desires to file a final map. In the event that any provision of this Agreement conflicts with the provisions of Exhibit A the provisions of Exhibit A shall prevail to the extent that the conflicting provision in Exhibit A requires a greater or more extensive improvement or expenditure, or to the extent that that provision extends DEVELOPER's obligations over a greater period of time than the specific provision set forth herein. Such improvements shall also be made in conformance with the City of Oakley Municipal Code and Contra Costa County Ordinance Code as adopted and enforced by the City of Oakley.

DEVELOPER will commence construction of The Improvements within 30 days following the date on which CITY executes this Agreement. DEVELOPER shall complete said work not later than 12 months following said date of execution in a good workmanlike manner, in accordance with accepted construction practices and in a manner equal or superior to the requirements of the City of Oakley Municipal Code and Contra Costa County Ordinance Code and rulings made thereunder; and where there is a conflict between the improvement plans and the City Municipal Code or County Ordinance Code, the stricter requirements shall govern. It is understood that the City of Oakley was incorporated effective July 1, 1999, and as such continues to rely on certain laws, ordinances and design standards of the County of Contra Costa. CITY shall be the sole indemnitee named on any instrument required by this Agreement. Any instrument or deposit required herein shall conform with the provisions of Chapter 5 of the Subdivision Map Act. Except as otherwise expressly provided in this Agreement, and excepting only items of routine maintenance, ordinary wear and tear and unusual abuse or neglect, DEVELOPER guarantees all work executed by DEVELOPER and/or DEVELOPER's agents, and all supplies, materials and devices of whatsoever nature incorporated in, or attached to the work, or otherwise delivered to CITY as a part of the work pursuant to the Agreement, to be free of all defects of workmanship and materials for a period of one (1) year after initial acceptance of the entire work by CITY. DEVELOPER shall repair or replace any or all such work or material, together with all or any other work or materials which may be displaced or damaged in so doing, that may prove defective in workmanship or material within said one-year guarantee period without expense or charge of any nature whatsoever to CITY. DEVELOPER further covenants and agrees that when defects in design, workmanship and materials actually appear during the one-year guarantee period, and have been corrected, the guarantee period shall automatically be extended for an additional year to insure that such defects have actually been corrected.

In the event the DEVELOPER shall fail to comply with the conditions of the foregoing guarantee within thirty (30) days time, after being notified of the defect in writing, CITY shall have the right, but shall not be obligated, to repair or obtain the repair of the defect, and DEVELOPER shall pay to CITY on demand all costs and expense of such repair. Notwithstanding anything herein to the contrary, in the event that any defect in workmanship or material covered by the foregoing guarantee results in a condition which constitutes an immediate hazard to the public health, safety, or welfare, CITY shall have the right to immediately repair, or cause to be repaired, such defect, and DEVELOPER shall pay to CITY on demand all costs and expense of such repair.

The foregoing statement relating to hazards to health and safety shall be deemed to include either temporary or permanent repairs which may be required as determined in the sole discretion and judgment of CITY.

If CITY, at its sole option, makes or causes to be made the necessary repairs or replacements or performs the necessary work, DEVELOPER shall pay, in addition to actual costs and expenses of such repair or work, fifty percent (50%) of such costs and expenses for overhead and interest at the maximum rate of interest permitted by law accruing thirty (30) days from the date of billing for such work or repairs.

7. Inspection of the Work.

DEVELOPER shall guarantee free access to CITY through its City Engineer and his designated representative for the safe and convenient inspection of the work throughout its construction. Said CITY representative shall have the authority to reject all materials and workmanship which are not in accordance with the plans and specifications, and all such materials and or work shall be removed promptly by DEVELOPER and replaced to the satisfaction of CITY without any expense to CITY in strict accordance with the improvement plans and specifications.

This Agreement shall not be assigned by DEVELOPER without the written consent of CITY.

9. Abandonment of Work.

Neither DEVELOPER nor any of DEVELOPER's agents or contractors are or shall be considered to be agents of CITY in connection with the performance of DEVELOPER's obligations under this Agreement.

If DEVELOPER refuses or fails to obtain prosecution of the work, or any severable part thereof, with such diligence as will insure its completion within the time specified, or any extension thereof, or fails to obtain completion of said work within such time, or if DEVELOPER should be adjudged as bankrupt, or should make a general assignment for the benefit of DEVELOPER's creditors, or if a receiver should be appointed, or if DEVELOPER, or any of DEVELOPER's contractors, subcontractors, agents or employees should violate any of the provisions of this Agreement, the CITY through its Public Works Director may serve written notice on DEVELOPER and DEVELOPER's surety or holder of other security of breach of this Agreement, or of any portion, thereof, and default of DEVELOPER.

In the event of any such notice of breach of this Agreement, DEVELOPER's surety shall have the duty to take over and complete The Improvements herein specified; provided, however, that if the surety, within thirty (30) days after the serving upon it of such notice of breach, does not give CITY written notice of its intention to take

over the performance of the contract, and does not commence performance thereof within thirty (30) days after notice to CITY of such election, CITY may take over the work and prosecute the same to completion, by contract or by any other method CITY may deem advisable, for the account and at the expense of DEVELOPER and DEVELOPER's surety shall be liable to CITY for any damages and/or reasonable and documented excess costs occasioned by CITY thereby; and, in such event, CITY, without liability for so doing, may take possession of, and utilize in completing the work, such materials, appliances, plant and other property belonging to DEVELOPER as may be on the site of the work and necessary therefor.

10. Use of Streets or Improvements.

At all times prior to the final acceptance of the work by CITY, the use of any or all streets and improvements within the work to be performed under this Agreement shall be at the sole and exclusive risk of DEVELOPER. The issuance of any building or occupancy permit by CITY for dwellings located within the tract shall not be construed in any manner to constitute a partial or final acceptance or approval of any or all such improvements by CITY. DEVELOPER agrees that CITY's Building Official may withhold

the issuance of building or occupancy permits when the work or its progress may substantially and/or detrimentally affect public health and safety.

11. Safety Devices.

13. Patent and Copyright Costs.

In the event that said plans and specifications require the use of any material, process or publication which is subject to a duly registered patent or copyright, DEVELOPER shall be liable for, and shall indemnify CITY from any fees, costs or litigation expenses, including attorneys' fees and court costs, which may result from the use of said patented or copyrighted material, process or publication.

14. Alterations in Plans and Specifications.

Any alteration or alterations made in the plans and specifications which are a part of this Agreement or any provision of this Agreement shall not operate to release any surety or sureties from liability on any bond or bonds attached hereto and made a part hereof, and consent to make such alterations is hereby given, and the sureties to said bonds hereby waive the provisions of Section 2819 of the Civil Code of the State of California.

15. Liability.

- a. DEVELOPER Primarily Liable. DEVELOPER hereby warrants that the design and construction of The Improvements will not adversely affect any portion of adjacent properties and that all work will be performed in a proper manner. DEVELOPER agrees to indemnify, defend, release, and hold harmless CITY, and each of its elective and appointive boards, commissions, officers agents and employees, from and against any and all loss, claims, suits, liabilities, actions, damages, or causes of action of every kind, nature and description, directly or indirectly arising from an act or omission of DEVELOPER, its employees, agents, or independent contractors in connection with DEVELOPER'S actions and obligations hereunder; provided as follows:
1. That CITY does not, and shall not, waive any rights against DEVELOPER which it may have by reason of the aforesaid hold harmless agreement, because of the acceptance by CITY, or the deposit with CITY by DEVELOPER, of any of the insurance policies described in Paragraph 4 hereof.
 2. That the aforesaid hold harmless agreement by DEVELOPER shall apply to all damages and claims for damages of every kind suffered, or alleged to have been suffered, by reason of any of the aforesaid operations referred to in this paragraph, regardless of whether or not CITY has prepared, supplied, or approved of plans and/or specifications for the subdivision, or regardless of whether or not such insurance policies shall have been determined to be applicable to any of such damages or claims for damages.
- b. Design Defect. If, in the opinion of the CITY, a design defect in the work of improvement becomes apparent during the course of construction, or within one (1) year following acceptance by the CITY of the improvements, and said design defect, in the opinion of the CITY, may substantially impair the public health and safety, DEVELOPER shall, upon order by the CITY, correct said design defect at his sole cost and expense, and the sureties under the Faithful Performance and Labor and Materials Bonds shall be liable to the CITY for the corrective work required.
- c. Litigation Expenses. In the event that legal action is instituted by either party to this Agreement, and said action seeks damages for breach of this Agreement or seeks to specifically enforce the terms of this Agreement, and, in the event judgment is entered in said action, the prevailing party

shall be entitled to recover its attorneys' fees and court costs. If CITY is the prevailing party, CITY shall also be entitled to recover its attorney's fees and costs in any action against DEVELOPER's surety on the bonds provided under paragraph 3.

PROVISIONS REQUIRED FOR PUBLIC WORKS PROJECTS PURSUANT TO CALIFORNIA LABOR CODE SECTION 1720 ET SEQ.

The Developer will ensure that any contract issued by the Developer or any privities of the Developer concerning the Improvements includes, and requires the parties to such contract to comply with, all applicable provisions contained in this Exhibit A and any other applicable requirements contained in California Labor Code Section 1720 and following.

HOURS OF WORK:

- A. In accordance with California Labor Code Section 1810, eight (8) hours of labor in performance of the Services shall constitute a legal day's work under this Agreement.

- C. The Developer and its contractors and subcontractors shall forfeit as a penalty to the City \$25 for each worker employed in the construction of the Improvements for each calendar day during which the worker is required or permitted to work more than eight (8) hours in any one calendar day, or more than forty (40) hours in any one calendar week, in violation of the provisions of California Labor Code Section 1810 and following.

WAGES:

- A. In accordance with California Labor Code Section 1773.2, the City has determined the general prevailing wages in the locality in which the Improvements are to be constructed for each craft or type of work needed to be as published by the State of California Department of Industrial Relations, Division of Labor Statistics and Research, a copy of which is on file in the City Engineer's office and shall be made available on request. The Developer, and contractors and subcontractors engaged in the construction of the Improvements shall pay no less than

these rates to all persons engaged in construction of the Improvements.

B. In accordance with Labor Code Section 1775, the Developer and any contractors and subcontractors engaged in construction of the Improvements shall comply with Labor Code Section 1775 which establishes a penalty of up to \$50 per day for each worker engaged in the construction of the Improvements who the Developer or any contractor or subcontractor pays less than the specified prevailing wage. The amount of such penalty shall be determined by the Labor Commissioner and shall be based on consideration of the mistake, inadvertence, or neglect of the Developer, contractor or subcontractor in failing to pay the correct rate of prevailing wages, or the previous record of the Developer, contractor or subcontractor in meeting applicable prevailing wage obligations, or the willful failure by the Developer, contractor or subcontractor to pay the correct rates of prevailing wages. A mistake, inadvertence, or neglect in failing to pay the correct rate of prevailing wages is not excusable if the Developer, contractor or subcontractor had knowledge of their obligations under the California Labor Code. The Developer, contractor or subcontractor shall pay the difference between the prevailing wage rates and the amount paid to each worker for each calendar day or portion thereof for which each worker was paid less than the prevailing wage rate. If a subcontractor worker engaged in construction of the Improvements is not paid the general prevailing per diem wages by the subcontractor, subject to applicable law, the prime contractor is not liable for any penalties therefore unless the prime contractor had knowledge of that failure or unless the prime contractor fails to comply with all of the following requirements:

1. Any agreement executed between the Developer and a contractor or a contractor and a subcontractor for the construction of part of the Improvements shall include a copy of the provisions of California Labor Code Sections 1771, 1775, 1776, 1777.5, 1813, and 1815.
2. The contractor shall monitor payment of the specified general prevailing rate of per diem wages by the subcontractor by periodic review of any subcontractor's certified payroll records.
3. Upon becoming aware of a subcontractor's failure to pay the specified prevailing rate of wages, the contractor shall diligently take corrective action to halt or rectify the failure, including, but not limited to, retaining sufficient funds due the subcontractor for construction of the Improvements.
4. Prior to making final payment to the subcontractor, the contractor shall obtain an affidavit signed under penalty of perjury from the subcontractor that the subcontractor has paid the specified general

prevailing rate of per diem wages employees engaged in the construction of the Improvements and any amounts due pursuant to California Labor Code Section 1813.

- C. In accordance with California Labor Code Section 1776, the Developer and each contractor and subcontractor engaged in construction of the Improvements, shall keep accurate payroll records showing the name, address, social security number, work classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker, or other employee employed in construction of the Improvements. Each payroll record shall contain or be verified by a written declaration that it is made under penalty of perjury, stating both of the following:
1. The information contained in the payroll record is true and correct.
 2. The employer has complied with the requirements of Sections 1771, 1811, and 1815 for any services performed by the employer's employees on the public works project.

The payroll records required pursuant to California Labor Code Section 1776 shall be certified and shall be available for inspection by the City and its authorized representatives, the Division of Labor Standards Enforcement, the Division of Apprenticeship Standards of the Department of Industrial Relations and shall otherwise be available for inspection in accordance with California Labor Code Section 1776.

- D. In accordance with California Labor Code Section 1777.5, the prime contractor, on behalf of the Developer and any contractors or subcontractors engaged in construction of the Improvements, shall be responsible for ensuring compliance with California Labor Code Section 1777.5 governing employment and payment of apprentices on public works contracts.
- E. In case it becomes necessary for the Developer or any contractor or subcontractor engaged in construction of the Improvements to employ on the construction of the Improvements any person in a trade or occupation (except executive, supervisory, administrative, clerical, or other non manual workers as such) for which no minimum wage rate has been determined by the Director of the Department of Industrial Relations, the Developer, contractor or subcontractor shall pay the minimum rate of wages specified therein for the classification which most nearly corresponds to services to be performed by that person. The minimum rate thus furnished shall be applicable as a minimum for such trade or occupation from the time of the initial employment of the person affected and during the continuance of such employment.
