

National Public Works Week May 21-27, 2017

Whereas, public works services provided in our community are an integral part of our citizens' everyday lives; and

Whereas, the support of an understanding and informed citizenry is vital to the efficient operation of public works systems and programs such as streets, sidewalks, traffic signals, parks and public buildings; and

Whereas, the health, safety and comfort of this community greatly depends on these facilities and services; and

Whereas the efficiency of the qualified and dedicated personnel who staff public works departments is materially influenced by the people's attitude and understanding of the importance of the work they perform.

Now, Therefore, Be It Resolved that I, Sue Higgins, Mayor of the City of Oakley, on behalf of the City Council, do hereby proclaim the week of May 21-27, 2017 as "National Public Works Week" in the City of Oakley, and call upon all citizens and civic organizations to acquaint themselves with the issues involved in providing our public works and to recognize the contributions which public works officials make every day to our health, safety, comfort, and quality of life.
