

STAFF REPORT

Date: June 13, 2017
To: Bryan H. Montgomery, City Manager
From: Chris Thorsen, Chief of Police
SUBJECT: New Motorcycle Purchase

Approved and Forwarded to the City Council:

Bryan Montgomery, City Manager

Background and Analysis

The Police Department has added a third officer to our Traffic Enforcement Unit. This is an additional position to the existing two-member team and the additional officer is scheduled to attend motor school in November of this year. The new officer will require the addition of a new traffic motorcycle.

The Police Department has with success used BMW motorcycles for the last several years. We have been happy with their performance, reliability, comfort and cost of operation. This request is for an additional BMW to be purchased from Livermore BMW. Livermore BMW currently performs all warranty and service work on our motorcycles.

The purchase of the listed vehicle is addition to our current fleet. Monies were set aside in the 2016/17 budget in anticipation of these needs and expenditures. We obtained a second bid for the same motorcycle from a dealer in Long Beach. That bit was slightly higher than the bid obtained from Livermore BMW.

Fiscal Impact

The purchase of this vehicle will require the expenditure of approximately \$28,250 (including sales tax) from the vehicle purchase account. These expenditures were anticipated in the formation of the 2016/17 operating budget and have been set aside for this purchase.

Recommendation

Approve the resolution for the purchase of a new motorcycle.
