Oakley Leadership Academy to Offer a Behind the Scenes Look at City Government

The City of Oakley is inviting residents to participate in the 2017 Leadership Academy. The Academy is a free, interactive civic education program designed to provide those who live and work in Oakley with a breadth of background and knowledge of the intricacies of City operations and processes. The purpose of the Academy is to provide an interesting perspective into the working of Oakley, to develop civic leadership, and to build a stronger community through well-informed and engaged residents.

Participants will meet for seven evening sessions, each two hours in length beginning at 6:30 p.m. and ending at 8:30 p.m. Each session will focus on a specific element of city government through an engaging presentation and discussion facilitated by top City staff. The Academy will meet for the first time on Tuesday, September 5th and thereafter twice a month on the first and third Tuesdays of each month, concluding with a graduation on December 12, 2017.

Class size is limited to the first 25 respondents, on a first-come, first-served basis, but no later than 6:00 p.m. on Wednesday, August 30th, 2017. A registration form may be found on the City's website (www.oakleyinfo.com) or at City Hall, located at 3231 Main St. Oakley.

To participate, an applicant must be at least 16 years of age, live or work within the boundaries of the City of Oakley, and commit to attending the entire series.
