## How to Finance Your Business Expansion

*Are you looking for ways to finance your business expansion, or think you might need to in the future? This course helps business owners through the process of how to find business loans through the bank or outside of traditional banks. It will allow you to understand what exactly to look for in a business loan and how to prepare the basics needed for a loan application, including income projections. We will discuss Small Business Administration (SBA) loan programs, crowd funding and alternative ways of financing & finance planning.*

**If you need a business loan or need to better understand  
the lending process, this workshop is for you!**

**Class fee: \$20.00 • RSVP - (925) 625-7006**
