Project Title: Bethel Island LLC Subdivision 9156 (Project of the East Cypress Corridor Specific Plan)

Project Applicant: ACD-TI Oakley, LLC
A Delaware Limited Liability Company
11611 San Vicente Boulevard, Suite 610
Los Angeles, CA 91149
Attn: John Baayoun, (310) 594-5334

Project Location: The proposed project would develop approximately 350.94-acres of Planning Area 4 of the East Cypress Corridor Specific Plan. The project site is generally located south of East Cypress Road, northeast and north of the Contra Costa Canal and west of Sandmound Slough.

Project Description: The applicant submitted an application to amend Vesting Tentative Map 9156 for Planning Area 4 in a manner consistent with the East Cypress Corridor Specific Plan. The Amendment proposes to add 77 residential units to the 1,128 residential units that are approved for the Bethel Island LLC property for a total of 1,205 residential units. A review of the Map Amendment Application by the City confirms that the tentative map generally mirrors the Specific Plan's conceptual land use exhibit for the Bethel Island LLC Property with regard to the proposed uses, internal roadways, parks, lake and other infrastructure and is less than the overall dwelling unit count approved for the Specific Plan. The project proposes 1,205 dwelling units in a variety of housing types and includes the same land uses on approximately the same acreage as the Specific Plan's conceptual land use plan for the Bethel Island LLC Property of Planning Area 4. The City Council adopted an Addendum to the certified East Cypress Corridor Specific Plan Environmental Impact Report and approved Vesting Tentative Map 9156 on November 10, 2020.

This is to advise that the City of Oakley has approved the above described project on November 10, 2020 and has made the following determinations regarding the above described project.
