## STAFF REPORT

**DATE:** May 11, 2021

**TO:** Bryan Montgomery, City Manager

*Approved and Forwarded to the City Council*

**FROM:** Tim Przybyla, Finance Director

**SUBJECT:** City of Oakley Quarterly Investment Report (3rd Quarter FY 2020/21)

---

### **Background and Analysis**

California law and the City's Investment Policy require the City's fiscal officer to submit a quarterly investment report to the City Council at the end of each quarter. The report should contain information on all securities held, and include a statement denoting the ability of the local agency to meet its expenditure requirements for the next six months.

### **Fiscal Impact**

City resources are organized and accounted for on a fund basis with some of those funds being restricted for specified uses and others that are unrestricted. For investment purposes, however, the funds are invested as a pool. The Investment Report for the Period Ending March 31, 2021 attached shows a combined pool balance of \$64,969,247.50. In addition, the pool had combined 3rd Quarter accrued interest earnings of \$160,199.87. Interest for the period continues to reflect the lower rates currently being offered on safe, short-term investments.

The City is in compliance with the adopted investment policy and able to meet its expenditure requirements for the next six months.

### **Staff Recommendation**

Staff recommends the City Council accept the investment report for the 3rd Quarter of Fiscal Year 2020/21.
