

# East Cypress Emergency Evacuation Route

In the event of an evacuation, all outbound traffic (leaving Bethel Island/Summer Lake Community) is to use a land dam/levee at the end of Sandmound Boulevard. This route needs to be used with caution. This route will take you to Holland Tract Road and Delta Road. Use Delta Road to make your way to the Knightsen/Oakley area.

To access the land dam follow the following route:

- Go to the intersection of East Cypress Road and Sandmound Boulevard
- Travel South on Sandmound Boulevard
- Go to the end of Sandmound Boulevard and access a small levee road just to the east of Sandmound Boulevard
- Travel South on this levee road a short distance until you reach the land dam that traverses over Sandmound Slough
- Follow the land dam road a short distance until you get to Holland Tract Road
- Make a right turn onto Delta Road, Delta Road will take you to Brentwood, Knightsen and Oakley

**This route is only designated for passenger cars.**

Commercial vehicles, multi-axle vehicles, RVs, and trailers are not to be used to go over the land dam.
